I got a check today and will get one next week. I have waited 3 years for this and I don't think it's fair that everybody try and take advantage of me and they all get a check. Sorry still 2 1/2 hours awry. I would just like to spend a little money on my daughter that is graduating this year in May and not let people take advantage of me. Me and Paul are alright but we will have to talk to Clayton about payment when we get there.
